### The Intelligibility Test with Answers

In this test, you will be presented a total of 71 recordings. Listen to the recordings in the given order and fill in the blanks with one or more words. You can listen to each recording twice.

The test has two sections: 'Words' and 'Longer Utterances'. Read the instructions carefully and ask the researcher if you have any questions. Do the examples at the beginning of each part before moving on to the actual test. Please write your name and surname before starting the session. Your identifying information will be kept secret and not shared with third parties.
