

Appendix B

Dear Participants,

The following questionnaire is part of a research project that investigates your sense of self-efficacy. Your valuable opinions and answers will be appreciated.

	1	2	3	4	5	6	7
	Not at all		Not really		Quite a lot		Very much
Can the result of the last test show how much you have learnt the prefixes?							
Was the teaching clear?							
How was the teaching speed?							
Were the examples in the lessons useful?							
Was the classroom noisy?							
Have you learnt more about prefixes after these lessons?							
How confident are you to do well in the next test?							
How much control do you have over the result of the coming test?							
How confident are you to learn all the prefixes in the next lesson?							
How much control do you have over how well you learn in the next lesson?
