

Biodata: Zulprianto & Novalinda

Zulprianto obtained his PhD from Deakin University, Melbourne, Australia, in 2020. He is currently an associate professor at the Department of Linguistics, Faculty of Humanities, Universitas Andalas in Padang, Indonesia. His research interests include Translation Studies between English and Indonesian in both directions, English Linguistics and Skills, and (Critical) Discourse Analysis using Systemic Functional Linguistics (SFL). He also teaches courses related to these areas for both undergraduate and postgraduate students in his home university.

Novalinda is a lecturer at the English Department, Faculty of Humanities, Universitas Andalas. She completed her Master's Degree in Translation Studies from Universitas Sebelas Maret in Solo in 2011. She has 20 years of experience in education and is passionate about research in translation studies. With a strong commitment to teaching and mentoring, Novalinda is dedicated to inspiring and educating her students to reach their full potential. She is excited to share her knowledge and expertise with others and to learn from them in return.
